Cover under the CMR Convention

We are pleased to confirm that Dania Connect A/S has taken out insurance cover for carrier's liability.

In connection with carriage forming part of international carriage, cover under the insurance is limited to 8.33 SDRs per kilo of damaged or lost goods.

Cover is limited to DKK 500,000, including customs and duties, for any one occurrence in connection with the carriage of tobacco.

If the transport is carried out in closed locked van or box trailer, the cover is limited to DKK 5.000.000 million, including customs and duties.

The insurance is valid until 01-01-2022

Motor third party Liability

We are pleased to confirm that Dania Connect A/S has taken out Motor third party Liability cover for their Motor Fleet with Codan Insurance A/S.
Sums insured according to the Danish Road Traffic Act in Denmark:

Bodily Injury : 124 mio
Property Damage: 26 mio

In countries where the Green Card System operates, cover for liability is subject to the limits of indemnity applicable in these countries – however, with the limits in Denmark representing the minimum sums insured.
Within the remaining territorial limits, cover is provided subject to the limits applicable in Denmark.

Insurance is dated from 01-01-2021 until 01-01-2022

Best regards
